CAREER OBJECTIVE

I am aspiring to build my future by learning and gaining experiences in advanced IT technologies and fields.

EDUCATION

CSPIT, CHARUSAT University 2017 – present	BACHELOR OF TECHNOLOGY IN COMPUTER ENGINEERING Current CGPA: 7.84
Delta Schools, Rajkot 2017	GSEB HSC IN SCIENCE STREAM Percentile: 96.63 PR
Saint Mary's School, Porbandar 2015	GSEB HSC IN SCIENCE STREAM Overall Percentile in 10th board: 98.75 PR

PROJECT & WORK EXPERIENCE

Internship at Sannibh Technologies (May 2019-June 2019)	CUSTOMER COMPLAINT SYSTEM (Internship Project) I with 3 other interns there created the customer complaint management system, which is used to manage complaints of the customers for the products of the given company. It is also used to manage employees which are assigned to the complaints of the customer and give their status. I managed all database related work . We mainly used PHP,HTML,CSS, MySQL and JavaScript.
